

HIDDEN BIAS: THE IAT

Name: _____

Objectives:

1. Explain what hidden bias is, and why everyone experiences it.
2. Determine what hidden bias you have.

Directions:

1. Go to <https://implicit.harvard.edu/implicit/demo/>

--Read the information and then click on “go to the demonstration tests” to see what they are like. Click on “I wish to proceed” and follow the directions.

--You will probably have to answer a short questionnaire about your self—do it.

--READ THE DIRECTIONS CAREFULLY. IT MIGHT TAKE TIME TO LOAD SO DO NOT KEEP PUNCHING KEYS—YOUR COMPUTER WILL FREEZE.

2. After you are done with the demo, take at least two tests and find out what hidden biases you may have.

TESTS:

Test 1: _____ (type of test-ex: Arab Americans)

Results (summarize the interpretation-if you have an inconclusive, give possible reasons for this)

Were you surprised by the results? explain

Test 2: _____ (type of test-ex: Arab Americans)

Results (summarize the interpretation-if you have an inconclusive, give possible reasons for this)

Were you surprised by the results? explain
